For: **PANEL FRAMEWORK SYSTEM**

RESPONSE AND AMENDMENT UNDER 37 C.F.R. §1.111

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a full and complete response to the non-final Office Action having a mailing date of February 26, 2007. The three month shortened statutory period to respond to the Office Action thus expires on May 29, 2007, May 26th being a Saturday and May 28th being a holiday, which makes this a timely filed response to the present Office Action.

In the Office Action some claims were allowable and this indication of patentable subject matter is acknowledged with appreciation. In view of this Amendment and the Remarks, it is requested that the Examiner reconsider the outstanding rejections and allow this application.

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Claims are reflected in a listing of claims beginning on page 4 of this paper.

Remarks begin on page 9 of this paper.
